BALASORE SOCIAL SERVICE SOCIETY

The urge to bring about meaningful change in the lives of innumerable people in the remote rural areas of the Diocese of Balasore prompted the Church to step into social work. Covering four civil districts of the diocese such as Balasore, Bhadrak, Keonjhar and Mayurbhanj, a social service wing was set up as a vital organ of the Diocese. A special cell was assigned for the social wing. The year was 1992. Fr. Paul Kidangan was appointed as the first director of the social wing.

In 1993, under Fr. Jacob Kallapurackal an office was established at Deepthi Bhavan, Pastoral centre at Kuruda, Balasore. It was he who baptised the social service wing as Balasore Social Service Society or BSSS. Since then BSSS has been closely involved in several works for the upliftment of the poor people in the operational areas. BSSS has witnessed the horrors of the super cyclone that played havoc in the state. In response it played a herculean role in relief and rehabilitation of the thousands of people in the four districts of the Diocese. The relief service done by the BSSS is a landmark in the annals of history.

In 2002, the social service society moved to its newly constructed building in Balasore as it continued to serve the poor, marginalised and people affected by disasters, with even more resolute. BSSS braved the cyclones like Phailin and Hudhud to reach the unreached and provided relief and rehabilitation to thousands of people.

2017 marks the 25 year of the success of BSSS. To BSSS, these 25 years, are years of Grace. It believes that without the Grace from the Almighty it would have been impossible to reach this milestone in the journey. It also believes, without the people the existence of BSSS would have been meaningless. This amazing journey of a quarter century is therefore a humble reminder to BSSS that nothing is impossible for God and everything is possible for people who believe in Him.

## MESSAGE FROM THE PRESIDENT

It's my pleasure to present before you the Annual Report of 2017-18 of Balasore Social Service Society. This is a special year for the BSSS as it marks the Silver Jubilee year of the organisation. When we look back at the last quarter of the century, it fills us with awe, admiration and wonder recalling the feat the organisation has achieved.

The monumental achievements of BSSS have been possible due to the selfless and dedicated service of numerous people who have crossed its path during the journey. I thank them all. I especially remember the former presidents and Directors of the organisation who laid a strong foundation to build up on. They faced and overcame the initial struggles and roadblocks to steer the organisation to its present status. We salute the legacy you left behind.

I thank the present Director, Fr. Jojo C.V, for consolidating the gains of the predecessors and paving the way for a more professional approach in its works and binding the team. Fr. Lijo George and all the BSSS team proved themselves to be a strong force in achieving the desired results with hard work and team spirit.

I am grateful to you our supporters both in India and abroad, for placing your confidence on BSSS' ability to bring about meaningful change in the lives of poorest of our people.

Finally, it's the Almighty who made all this happen. I wish and pray that the grace that we have received for the last 25 years continue to shower up on the years to come.

I congratulate each one you on the occasion of the silver Jubilee of BSSS.

Rt. Rev. Dr. Simon Kaipuram  
Bishop of Balasore

## MESSAGE FROM THE DIRECTOR

25 years of existence itself is a great milestone in the life of any institution or organization. It is all the more true in the case of Balsore Social Service Society because it existed for the development of the people. In her existence she had an aim i.e. "To Change and Develop". She strived hard to make this dream a reality. She is proud that she could contribute substantially for the development of the people while still journeying along with the deserving people as a true companion. She has turned to 25 and celebrated her silver jubilee with much enthusiasm.

As she is working hard for the development of the people, she too is supported by many generous and hard working people. There are many funding partners and benefactors because of whom it was possible for her to be a benevolent catalyst in the society. I am grateful to all the partners like Caritas India, Secours Catholique, CRS, IRRI, FdnF, Manos Unidas etc. for their generous support and guidance due to which we could reach out to thousands of deserving people in the four districts (Balasore, Bhadrak, Mayurbhanj and Keonjhar) of Odisha.

I would like to sincerely express my gratefulness to the support and services rendered by many whose efforts are praise worthy. I place my due respect and gratitude to Rt. Rev. Dr. Simon Kaipuram CM, the President of BSSS and the Board Members for their support and guidance. The District Collectors of our operational areas and various Government departments, National and International benefactors stand at the pinnacle to whom I desire to extend our sincere gratitude. I also offer my gratefulness to our programme consultants and Auditors who have guided us in our journey. BSSS can never forget but gratefully remember and appreciate the endeavors of our former directors on whose accomplishment now we have built on. Above all, the committed and dedicated contribution of BSSS family of staff on whose strength and efforts I count and move on.

May BSSS grow to newer heights and become a beacon of hope for all the poor and downtrodden for which its existence is designed.

Fr. Jojo C. V.  
Director, BSSS

## MESSAGE FROM THE ASSISTANT DIRECTOR

It is a great joy for me to be part of Balasore Social Service Society, especially in this jubilee year. It should be a year of celebration not just for BSSS family but for the thousands of people from all walks of life who were able to create a better world for them around through the intervention of BSSS. It is in their little joys and smiles that BSSS finds its purpose and meaning fulfilled.

As I glance back to the year gone behind, counting on the innumerable blessing and graces received from God, I feel happy about the tremendous support we could extend for an integrated development of the people in the villages. Holding hands together with the global community, BSSS family also have contributed within its capacity, to achieve the targets of sustainable goals set by United Nations. BSSS has satisfactorily ventured in to the lives of the people especially that of the poor and marginalised to strengthen their livelihood, educating the week students, forming and strengthening CBO, thus ensuring sustainability of our works in this year.

Words may not suffice, yet, from the bottom of my heart a sincere thanks to all those, who made this year a special one for BSSS, specially our management team, the vibrant staff, the esteemed funding agencies, Government officials, partners and all well-wishers.

I wish all the very best for BSSS family at this grace filled year of its Silver Jubilee and pray that the organisation may continue to make tangible changes in the lives of the people of Odisha.
